COMPANY INTRODUCTION:

Established in 2003, **Quanzhou Dowsen Bags Co., Ltd.** specializes in high-quality **outdoor and sports bags**. With over 22 years of experience, we are a trusted partner for leading brands across **Europe, America, and Australia**. We have served clients with products for major events, including **the Tour de France, UEFA European Championship, and the 2024 Paris Olympics**, delivering solutions that align with rigorous standards and brand values.

QUALITY ASSURANCE:

We prioritize quality with premium materials and strict control measures. Our products undergo rigorous testing for durability, load-bearing capacity, colorfastness, and water resistance. We ensure compliance with international safety standards, including California Proposition 65 and REACH regulations.

INNOVATION & CUSTOMIZATION:

We drive innovation with our team of 10+ R&D professionals, exploring new materials and designs. Our efforts have led to 5 patented solutions and numerous product enhancements. We offer bespoke designs and modifications, working closely with brands to meet their exact specifications and market demands.

SUSTAINABILITY:

With the growing emphasis on sustainability, we have integrated eco-friendly practices into our production processes. Our products, such as the canvas cooler bags with UV-protected TPU liners, are crafted with environmental responsible materials, allowing brands to meet consumer expectations for green products.

COMPLIANCE & RELIABILITY:

Understanding the importance of compliance in European markets, we strictly adhere to all relevant industry regulations and standards. Our reliable logistics network ensures timely delivery, safeguarding your brand's reputation for dependability.
